*Unused Patient Medication Disposal Program*

Make a difference by participating in **TakeAway™**,  
*the safe, easy method to dispose of unused  
patient medications.*

Promoting pharmacists as medication  
experts from dispensing to disposal

**An estimated 250 million pounds of  
unused medications are improperly  
disposed of each year, thereby  
threatening our ecosystems, and  
overall health.<sup>1</sup>**

**The NCPA TakeAway™ Program** offers  
a convenient Pharmacy drop off method:

- **TakeAway™ 10 Gallon Pharmacy  
Drop Box**
