

Ever wondered what your pharmacy business is worth? If so, we should talk.

I'm a pharmacist myself. I know what independents are experiencing right now: declining reimbursements, increasing costs, a more complex regulatory environment.

Mounting challenges like these make selling your store to CVS Pharmacy® an attractive and practical option.

I can help you understand what your store is worth.

Whether you're considering selling right now or in the future, it's simply good business to know the facts. I can answer all your questions and give you a good idea how much your store is worth.

We'll take care of your patients. You can rest easy knowing we will remain in the same location and continue to provide the same level of high quality care as you did.

We always need strong professionals.

Our goal is to bring as many of your employees into the CVS Pharmacy family as possible. We provide competitive salaries and comprehensive benefits.

We can help make the acquisition process easy.

I'll work with you throughout the process and help you every step of the way. We want to work with you to maintain the level of service you worked so hard to create.

Why CVS Pharmacy is a comforting choice.

Our reputation for helping people on the path to better health is well known. We were the first national retail pharmacy chain to stop selling cigarettes. We answered the urgent need for a low-cost epinephrine auto-injector. Whether it's questions about drug interactions or lower cost generics, we're here for your patients. You couldn't leave your pharmacy in better hands.

Call me today at [REDACTED] or visit [cvs.com/pharmacyvalue](https://www.cvs.com/pharmacyvalue) to find out more. We can meet at your convenience, even outside business hours.

You've put a lot into your pharmacy. Maybe now's the time it pays you back.

I look forward to speaking with you soon.

Sincerely
