

Jessica Satterfield, PharmD, MBA

Jessica Satterfield graduated from the University of Iowa with her PharmD and from Drake University with an MBA featuring a specialization in data analytics in May 2021. During her undergraduate and pharmacy school years, she worked in independent pharmacies and in a chain pharmacy environment. During pharmacy school, Jessica maintained a certification in health and wellness coaching and continues to be interested in functional medicine.

Jessica was active in NCPA while at Iowa, and served as team captain of the NCPA Good Neighbor Pharmacy Pruitt-Schutte Business Plan Competition team for two years, with her last year earning a top-3 finish. She was also a part of the Live Oak Bank pharmacy ownership externship program and was a featured panelist at the 2018 ThoughtSpot convention. Her professional interests include data analytics, data visualization, independent pharmacy practice transformation, and education.
