

**ATTENTION MEDICARE PATIENTS  
AND CAREGIVERS**

**Medicare Annual Enrollment Period**  
October 15—December 7

The best way to find out which plan is best for you or a loved one is to use Medicare's Plan Finder tool:

**[www.Medicare.gov](http://www.Medicare.gov)**

Your community pharmacist is also available to answer any questions about selecting a Medicare plan that best meets your needs.

**Plug In Your Pharmacy and Drugs.** Be sure to plug in the name of your pharmacy, as well as the exact names of the drugs you take. That's the best and only way you can get an accurate idea of your total out-of-pocket costs.

**Choose Carefully.** Some plans that advertise low or no copays may require you to go only to a preferred pharmacy location in order to receive those special prices.
