Questions and Follow Up

- Use the questions bar on your control panel to enter questions throughout the presentation
- If you'd like additional follow up after the presentation feel free to use the **Fellowship Contact** form on the fellowship webpage, www.ncpa.org/fellowship

Practice Transformation to Scale

Currently 19,400 independent pharmacies

Just over 3,500 are members of CPESN® USA

Only ~35-65% are achieving their care plan goals,
and those are modest goals

**Addressing practice transformation at scale
is going to take a new approach**

**Why not leverage our best asset(s)?
Luminaries**

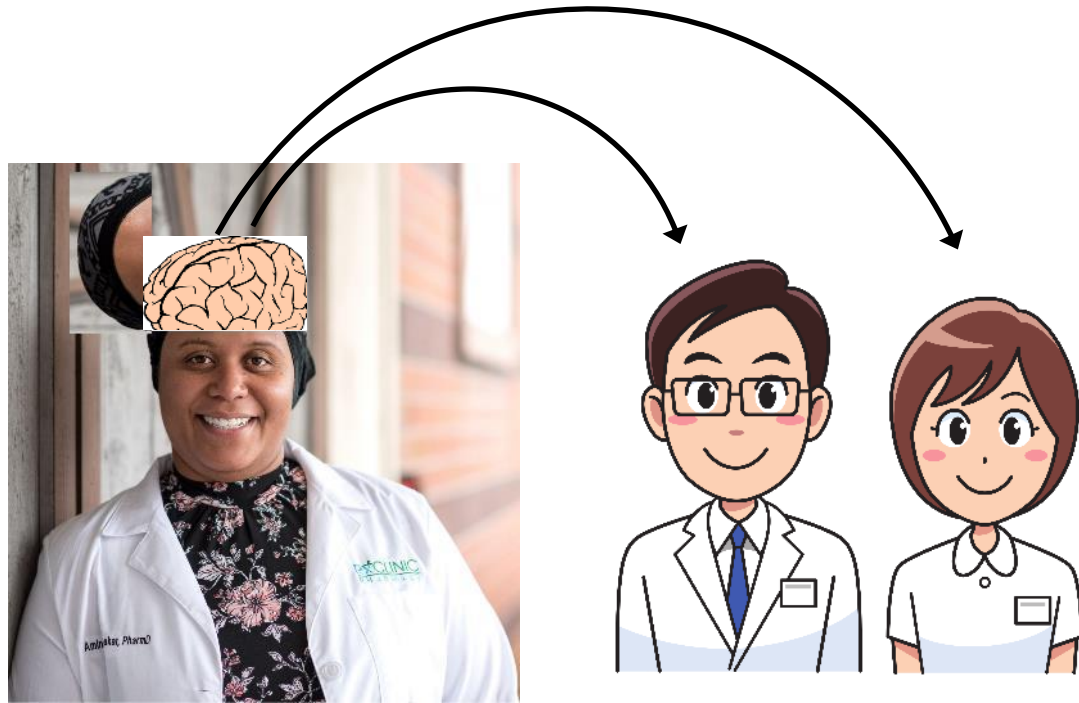

“To be the best, learn from the best.”

-Award-winning speaker, Darren LaCroix

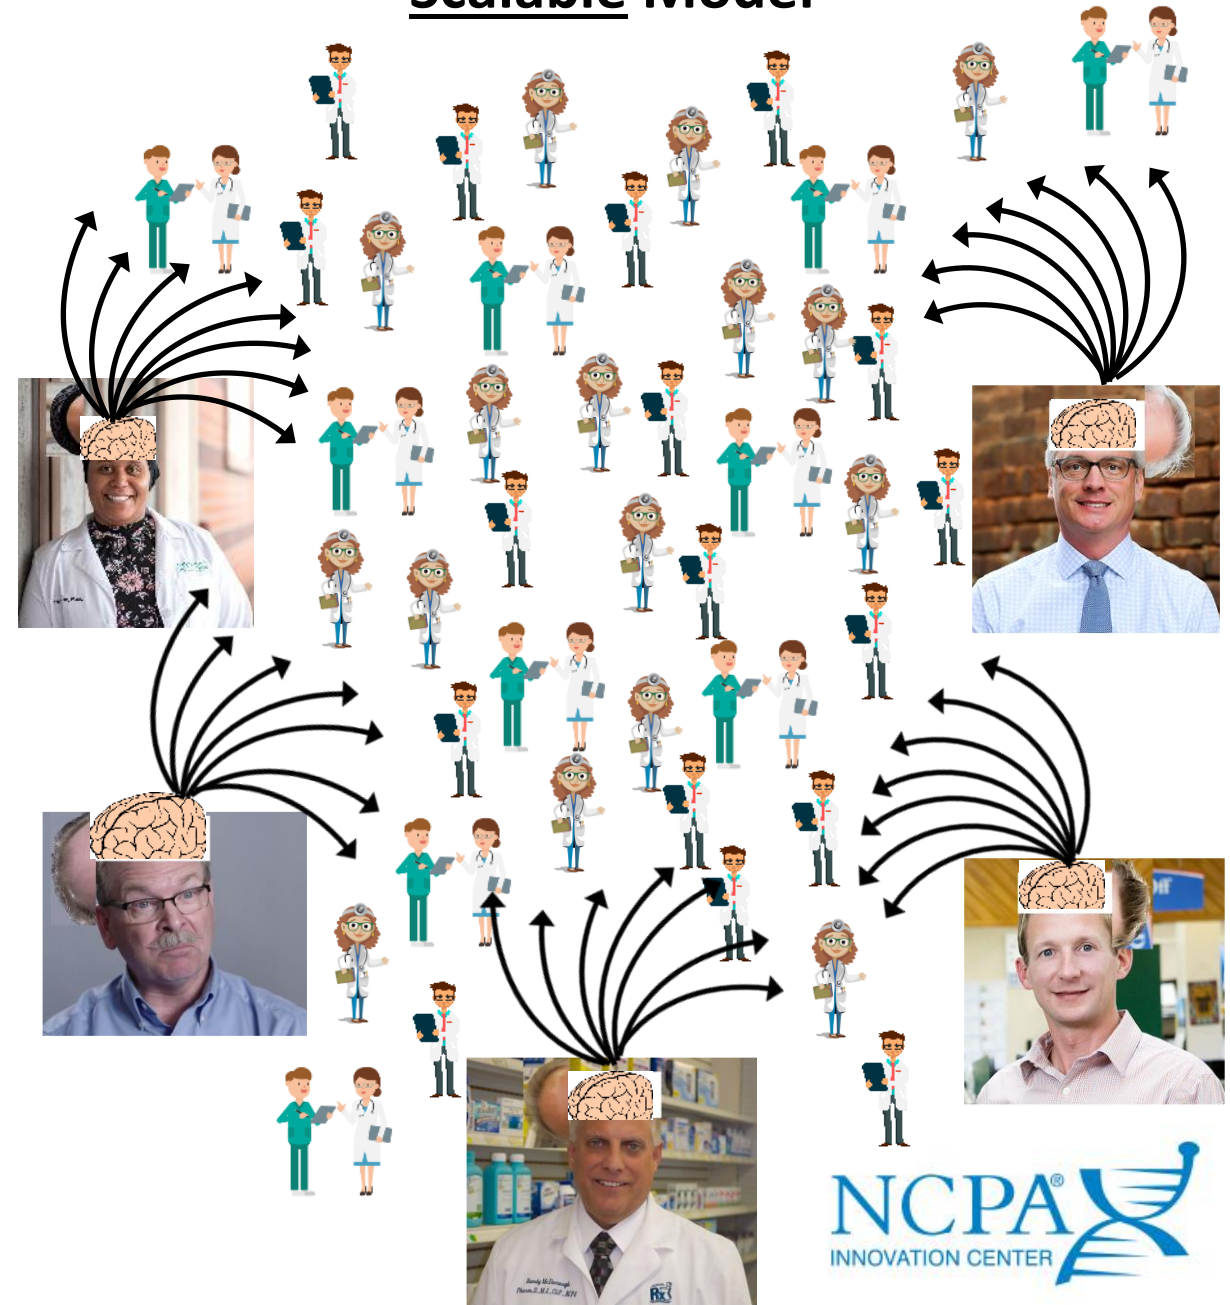

Current Model

(Residency)

(Still Needed, ...Slow to Grow)

Scalable Model

This provides an opportunity to reach
into the minds and pharmacies of the
nation's best practitioners.

“Troy, that’s great but I’m not [Moose, Rx
Clinic, Towncrest, L&S, Osterhaus]
Pharmacy...”

Now is your chance

**NCPA Innovation Center/CPESN
Community Pharmacy Fellowship**

What is the Community Pharmacy Fellowship?

- An intensive year long educational program for individual pharmacists practicing in an NCPA pharmacy
- Fellows will interact with and learn from CPESN Luminaries who will share their practical experience in growing profitable clinical services
- No travel is required by the program and all educational opportunities are accessed online

Timeline

September 1

August 30

Orientation will be the last week in August

Who is the ideal fellow?

Licensed pharmacist practicing at an NCPA pharmacy

- ✓ **Current employee**
- ✓ **New employee**
- ✓ **Owner**
