KEY BENEFITS OF CPESN PARTICIPATION

Come see what you've been missing! Here are just a few of the benefits of CPESN participation.

- Each local CPESN network is owned by its participating pharmacies.
- CPESN USA provides educational resources and training to help pharmacies change workflow and offer revenue-generating pharmacy services.
- Each local CPESN network engages plan sponsors to contract for enhanced pharmacy services that are financially beneficial to both parties.

The future of pharmacy practice in the United States starts with CPESN networks. For more information, visit cpesn.com/pharmacies. ■

CPESN USA is a clinically integrated nationwide organization of pharmacy networks developed to advance community-based pharmacy practice in America. Through clinical integration, pharmacies in CPESN networks can engage with each other to improve the quality of care provided to patients and the value offered to medical-side payers (bypassing PBMs) through enhanced services and lower costs.
