

Joining the CPESN movement can build your pharmacy services revenue

Why join the CPESN[®] USA movement? Well, by doing so, you're making the move to build your pharmacy's services-based revenue. Here are a few more reasons to join:

- A network of 3,500 pharmacies
- A total of 105 active national or local payer contracts
- Thirty-three nationwide contracts and 72 network-specific contracts
- A 4-to-1 return on investment.
- Forty-eight local networks in 42 states plus Washington, D.C.

KEY BENEFITS OF CPESN PARTICIPATION

- Each local CPESN network is owned by its participating pharmacies.
- CPESN USA provides educational resources and training to help pharmacies change workflow and offer revenue-generating pharmacy services.
- Each local CPESN network engages plan sponsors to contract for enhanced pharmacy services that are financially beneficial to both parties.

CPESN USA is a clinically integrated nationwide organization of pharmacy networks developed to advance community-based pharmacy practice in America. Through clinical integration, pharmacies in CPESN networks can engage with each other to improve the quality of care provided to patients and the value offered to medical-side payers (bypassing PBMs) through enhanced services and lower costs.
