

Benjamin Ostebee, PharmD

2022-2023 NCPA Executive Resident

Benjamin Ostebee is the Executive Resident for the National Community Pharmacists Association. As the executive resident, Ostebee is based out of the NCPA Innovation Center and engages with pharmacy owners to provide the education, support, and tools they need to run their business efficiently and effectively. Ostebee is deeply involved across multiple departments within NCPA to collaborate with staff in promoting ownership, developing and marketing new programming, and precepting students.

Before joining NCPA, Ostebee earned his Doctorate of Pharmacy from the South Dakota State University College of Pharmacy and Allied Health Professions. While at SDSU, Ostebee tutored students general chemistry and worked as a float clerk, technician, and intern with Lewis Drug Pharmacy in SD, MN, and IA, sparking his passion for community pharmacy.

Ostebee's interests outside of pharmacy include watching sports, playing tennis, and spending time at the lake with family and friends.
