*The NASPA Pharmacy-based Point of Care Test and Treat National Certificate Program hosted by the NCPA Innovation Center will be offered in a virtual format. Zoom will be used to deliver the live session.*

*By registering for this program, you agree to participate in the live portion of the course and associated skills assessment by using active video and audio feed through your computer or mobile device. Credit for completion of the certificate program will only be granted to participants who complete the self-study requirements, are verified as physically present throughout the duration of the live session and pass the skills assessment.*
