

NCPA LTC Division Sponsorship Package

Let's collaborate!

The National Community Pharmacists Association is pleased to present you with a proposal for collaboration, which will help grow your independent long-term care pharmacy market and increase your company's visibility within this segment.

NCPA's LTC Division

A resource and advocate for long-term care pharmacy providers

Membership in the NCPA Long-Term Care Division offers pharmacists resources to improve operating efficiencies and guidance on how government actions may impact profitability. Many issues are hitting pharmacy's bottom line at the federal and state levels, and NCPA's LTC Division and Advocacy Center serve as the voice for independent pharmacy. LTC pharmacy providers have an advocate in Washington, and your support can help us in the fight for fair reimbursement, to ease audit concerns, and to resolve other issues affecting your customers.
