## CONTACT YOUR LEGISLATOR FOR A PHARMACY VISIT

There are four key committees of jurisdiction for pharmacy issues. The time is now to **build relationships** with your elected officials to increase the pharmacy majority in Congress and Finish the (PBM) Fight this year!

Also, at **least 15 percent of the members** on those committees are leaving office in 2025, impacting at least **1,261 NCPA member pharmacies** that currently have direct

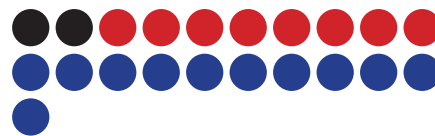

representation on the committees so it makes it even more important to have strong relationships with returning Members of Congress or those running for reelection.

*View the list of current key committee members on the next page.*

**To schedule a pharmacy visit,** email Michael Rule at [mrule@ncpa.org](mailto:mrule@ncpa.org) or visit [ncpa.org/month-action](http://ncpa.org/month-action).
